Dear Mr. Cooley and Mr. Vance:

I would like to personally thank you for your efforts and initiative in preparing World Youth Day San Antonio 2008 in Main Plaza on July 19, 2008. We look forward to this celebration with our youth and young adults in the San Antonio area as they gather in union with the universal celebration taking place in Sydney, Australia.

The dynamic speakers, the exciting and inspirational music, the poetry and drama will entertain, inform and inspire our youth and young adults throughout the day. I truly believe this event will do much to bring us all closer to God and one another.

Please count on my encouragement and extend my gratitude to all who work with and support this worthwhile endeavor. I encourage your many corporate and personal partners to continue working with you generously to make World Youth Day San Antonio 2008 free of charge and open to all who would like to participate.

You can be assured of my prayers for you and for the youth and young adults who will gather for World Youth Day San Antonio. I count on your prayers as well.

Sincerely yours in Christ,

+ José H. Gomez

Most Reverend José H. Gomez, S.T.D.
